Volume 2 Lafayette High School Ellisville, Missouri

FOREWORD

Growing enrollments require growing facilities, and the architect's drawing at left shows what is planned in the way of facilities at Lafayette High School in the coming years. After all additions are completed, LHS should resemble the architect's drawing and should house about 975-1000 students, which is the expected enrollment for the school year 1964-1965

DEDICATION

We, the staff of the 1964 LANCER'S LEGEND, dedicate this book to the R-6 District voters, who have approved the bond issue providing for the next addition to LHS. The new addition will contain additional space for classrooms and a sufficient library. It is through such support as this that the youth of our nation, and the youth of the R-6 District in particular, will continue to receive the education that is so increasingly essential to success in today's world of expanding knowledge.

FOOTBALL

The 1963-64 football team proved itself to be very satisfactory for its first year at LHS. It was defeated by Parkway early in the season but quickly regained its footing and tied Festus and then went on to be victorious in 3 out of its last 4 games. There will be a full Varsity and B-team schedule next year, and with the steady and efficient coaching of coaches Webster and Ikemeyer, the team should go on to be even bigger and better than this year. Good Luck 1964-65 Football Lancers!

OUR PATRONS

This year we asked all of our supporters to buy patron ads rather than those of varying sizes we had sold in the past.
We are grateful for the cooperation and support of these individuals and businesses who made our yearbook possible.
We hope that you will patronize them whenever you can.
Thank you!
